

## Stamford's AdHoc Green Ribbon Commission

On January 4th, 2006, under the kind hospices of the [GE EdgeLab](#) at the UCONN campus and the [CT Technology Council](#), Greenburbs hosted a gathering of green architecture and design professionals. The meeting was kicked off at 8:30 am by Stamford Mayor **Dannel P. Malloy**. It concluded seven hours later, topped off by a well deserved pizza break. A complete list of participants is included below, soon linked to their own comments and suggestions. Bookmark this webpage for follow-up reports and future events.
